Dear Dr. Davidson,

This is to let you know that I shall be visiting Britain during March and April 1970, and find out whether you will be able to see me for a chat at some time before Easter. I shall be visiting Edinburgh during the week after Easter, but could make the visit early in April if this would suit you better. The address on this letter will be applicable until Feb 28th, after which you could write to me at 49 Barrow Close, Marlborough, Wilts.

I hope your work is progressing satisfactorily.

With my best wishes,

Yours sincerely,

Hugh Paterson.

H. E. Paterson.
